

New Benefit for FCCFA Members! Workers' Compensation Insurance with Travelers

Travelers has built their reputation on helping associations throughout the country and continually outperforming the industry through their superior service and industry-setting results. We are excited about the opportunity this brings to our employees who are FCCFA members as FCCFA holds a nationally recognized carrier provide a Workers' Compensation Program.

This new affinity program will include a 20% discount on members' workers' compensation premium ***no matter what your losses are for the policy period.*** FCCFA's original intention was to help members offset membership dues to the association. You might be aware that Workers' Compensation has been a major expense for FCCFA members, rates have been in the news a lot lately about what regulators will do or won't do over the next few years. This program is an excellent way to offset dues and help with those predicted increases.

Travelers is dedicated to workplace health and safety, quality medical for your employees, managing claims cost, returning employees to work, and fighting fraud and abuse. Travelers will also assist FCCFA in events and provide additional revenue back to the association based upon participation in the program.

This Travelers program gives FCCFA members a 20% savings to be paid at your annual audit and is based on being in three years in the business and having a current profitable program in place.
